Dear Peter Lee

I am pleased to inform you that your product:

Acer Aspire 6600 / Pentium III 1 GHz
Master ID: 39489

has passed logo testing by Microsoft Windows Hardware Quality Labs (WHQL). We are attaching a formal WHQL Test Report, which details the tests we performed on your product. Also included is an Exhibit C that lists all of your products associated with this product that are eligible to use the "Designed for Microsoft Windows" Logo, referenced in the Windows Logo column. In order to be eligible to use the Logo, you must sign the signature block and send the completed Exhibit C to Windows Hardware Quality Labs, One Microsoft Way, Redmond WA, 98052-6399.

We will list your hardware and driver, if applicable, in the next revision of the Hardware Compatibility List (HCL), which is distributed by Microsoft via the Internet <http://www.microsoft.com/hwtest/hcl/>.

If you have any questions, please do not hesitate to contact us by sending e-mail to whqlinfo@microsoft.com.

Thank you for using our services! We look forward to working together with you on future products.

Sincerely,

Windows Hardware Quality Labs
Microsoft Corporation
