

## **Addendum (For D6IBA/D6IBA2/D6IGA)**

### **SOYO CD: EZ-SCSI Utility for DOS and Windows 3.1 only**

The EZ-SCSI utility is mentioned on the list of drivers on the SOYO-CD that can be installed for the D6IBA. Since this utility is suitable for use with DOS and Windows 3.1 only, it can not be installed under Windows 95,98 or NT.

An error message will be given when the EZ-SCSI utility is selected and installed under Windows 95, 98 or NT.
